

## **JET EXAMINATION DETAILS**

---

1. The JET will be conducted by the Board for admission to various diploma courses which are being offered or proposed to be offered in the Institutions.
2. The admission to institutions will be based on the JET merit category wise. Reservation shall be as per reservation policy of Government of Punjab/UT Chandigarh.
3. **ELIGIBILITY** : The test shall be open to candidates who have passed the Matriculation examination with Mathematics, Science (Physics, Chemistry and Biology) and English from state Board/Central Board i.e. CBSE / ICSE/National Open School or from any other country.
4. **SCHEDULE** : The Joint Entrance Test will be conducted on 20th April, 2014.
5. **SYLLABUS** : The syllabus for this test is broadly based upon the syllabus prescribed for Matriculation Examination (i.e. 9th and 10th classes) of Punjab School Education Board.
6. **EXAMINATION SCHEME** : JET-2014 will have one paper of 200 questions (English-40, General awareness and Aptitude-40, Mathematics-40, Physics-40, Chemistry-40).  
  
The question paper will have **multiple choice objective type questions only. There will be no negative marking in the JET.** The objective type questions shall be answered on a pre-printed Optical Mark Reader (OMR) answer sheet. The candidate is required to mark his/her responses as per instructions given on the OMR answer sheet.
