December-Exam. 2010, Sub: English, Class-VI

Time: 3 Hrs. M.M.100

Q.1 Read the following passage and answer the questions

 $(5 \times 2 = 10)$

Once upon a time there lived three fish in a river. They were very good friends. Their names were Amal, Chatur and Budhu. Amal did things just on time. Chatur was clever and could handle any situation. The third fish, Budhu, never stopped to think before doing anything.

It was a warm day and the three fish were enjoying themselves in the river. Suddenly they saw two fishermen coming closer to the river. The fishermen looked into the river and were full of joy to see a number of fish in it. One of them said to the other, "This river is full of big, healthy fish. Tomorrow we shall come and catch as many fish as we can."

Answer these questions -

- 1. Where did three fish live?
- 2. What were their names?
- 3. Did Budhu think before doing anything?
- 4. What did the two fishermen see in the river?
- 5. What did one fisherman say to the other?
