2.0 The Punjab State Education Advisory Board will advise the State Government regarding matters related to qualitative improvement in all levels including Elementary, Secondary and Higher Education. This includes matters relating enhanced access, inclusion and equity and suggesting measures to Govt remove imbalances in Education and research at all levels. The Board will review and monitor implementation of policies relating to the Department of School and Higher Education in all educational institutions. It would also advise on funding for education, educational reforms and to promote culture of equity and excellence. The Punjab State Advisory Board on Education, within the aforesaid Board framework, may recommend on the following specific matters also:

- (i) The implementation of RTE Act, 2009 in the State;
- (ii) Education of Girl Child;
- (iii) Universalisation of Elementary, Secondary and Senior Secondary Education;

- (iv) Sensitising the Student Community to pressing social issues.
- (v) Syllabus and Pedagogy reforms.
- (vi) Enhancing access to and enrollment ratio in Higher Education institutions.
- (vii) Improving quality of Education and research in Higher Education Institutions.
- (viii) Suggesting ways and means for Industry and Educational institutions interface for better employability of Senior Secondary and College Students.

3.0 Meeting of Board

3.1 The Board from time to time, arrange the meetings with the approval of Chairman and the time gap between last and next meeting should not be more than three months.
