Expression Of Interest (EOI)

Punjab Edusat Society intents to invite EOI from service providers to diagnose and rectify the technical problem in Edusat Hub. Some Interactive part of the VSAT Hub and 516 SITs are presently non-functional, whereas the receive only terminals (ROTs) are operational. Service providers may like to visit the work place of the Society to physically inspect and discuss with the technical team. The expression of interest is invited by 03:00PM on 29.05.2015, indicating the technical problem and the solution with the cost estimate. The EOI may kindly be deposited at O/o the society. For further details may like to discuss with Sh. Amritpal Singh, Studio Engineer at 0172-2231800, 09855522216.
