Memo No. : 24/3/2015/PES/Multimedia Content/8025
Dated: ......1st...... February, 2016

Subject: Downloading free ROBOMATE+ App for students.

Honorable Prime Minister Mr. Narendra Modi expressed his vision of Digital India. We are inspired by that and we have started digitalization in education. Many social organizations /institutes have come forward to contribute in this mission of 'Digital Education'. Global Education Trust has launched App called as 'Robomate+' which has made study easy and interesting. Now students can learn 'Any Time-Any Where' as per their convenience. This app was launched by Hon'ble Education Minister Punjab.

Students can download 'Robomate+' from Google Play Store absolutely free. It is available for 9th, 10th, 11th and 12th standard students (CBSE/ICSE & Competitions i.e. IIT/JEE, Medicals). All subject's total curriculum is available in the form of video lectures delivered by expert subject teachers. Students from remote parts of Punjab, can also take benefit from 'Robomate+'.

Representatives of Global Education Trust will visit your institute/school soon. Students or parents of Standard 9th to 12th (CBSE/ICSE & Competitions i.e. IIT/JEE, Medicals) are requested to come with smart phones (for a short period) Schedule is being sent to you separately. Global Education Trust will download this App 'Robomate+' absolutely free.
