### **Background of ICT Project**

The Department of School Education, Govt. of Punjab has launched 'Information and Communication Technology' (ICT) project in the year 2004-05. The Main aim of the Project is to impart computer education to all the students of class VI to XII. Under the Project, computer labs have been established in Upper Primary Schools.

Computer hardware including UPSs, software and LAN are installed in these labs. Broadband internet connectivity has been provided to all schools.

### **Expression of Interest**

On behalf of Government of Punjab, Punjab ICT Education Society (PICTES) invites Expression of Interest (EOI) from the experienced Internet Service Providers (ISPs) to propose a detailed solution for providing Internet Connectivity in approx 19000 urban & rural Govt. schools across the State of Punjab with secured access to multiple devices. The proposal should also include provision of Wi-Fi for users within the school campus. PICTES will only provide LAN connectivity of computers in a computer labs of 6134 Govt. upper primary schools. ISP will be responsible for sharing internet on all devices connected through LAN and will make the school building Wi-Fi. The Bandwidth will mainly be used in schools for wide variety of applications like web browsing, emailing, Video Store, monitoring, data updation in school management portal etc.

Each school will require minimum 2 Mbps of dedicated connectivity. ISP will provide centrally managed network management system with facilities like monitoring, complaint management, uptime calculation, content filtering/restriction on internet to be used at school level.

The Technical solution proposed by ISP should include mode of connectivity, requirement of Bandwidth, requirement of hardware/software items, monitoring system, complaints logging service, SLA etc.

The ISP should also attach company profile with details like annual turnover of last two years, technical manpower, certifications, experience of similar projects etc.

The bidder should have a valid ISP license from Govt. of India. (Attach a copy of license).

**Submission of EOI:-** Interested & Eligible ISPs may submit EOI either by e-mail at hoicttech@gmail.com or by post addressed to Dy. State Project Director (ICT), 5th Floor, E-Block, Vidya Bhawan, Phase-8, SAS Nagar (Mohail), Punjab (India) – 160062 before the last date & time as given above.

Bidders, who qualify the eligibility criteria, shall be asked to give their presentation.

The bidders will be shortlisted on the basis of technical proposal and will be called for participation in final tender.

For any further queries and clarifications, the company may contact the Nodal Officer Mr. Yadwinder Singh, Assistant Manager (HW) on Telephone No. 0172-5212328.
