All DEOS  
In the State of Punjab

Memo No. AD/CO/SSE-2017/2014/025  
Dated: 3-01-2018

**Sub: Change in school timings.**

1.0 It has come to the notice of the Government that due to bad weather (due to fog), districts have at their own level had decided to change the school timings. In some of the districts where these timings have yet not been changed have suggested to change the timings of the school in such manner so that there is least loss of academics during peak season. Keeping this in view, it is therefore decided that the school timings may be changed till 15th January, 2018 as follows:

Starting time : 10.00 AM

Closing time : 3.20 PM

2.0 All concerned school heads may accordingly adjust the time table of periods in such a manner that no subject is left out. In case no further communication is issued by the Government by 15.01.2018, the school timings will revert to normal.
