To

The Secretary School Education,
Punjab Government ,
Chandigarh.

No. - BBNL/PB/General/

Subject: - Regarding issuing guidelines for access to schools etc. during summer vacations for completion of Bharatnet Phase-1 in Punjab.

Dated :01/06/2018

Sir,

The BHARATNET Project(Phase-I) of GOI is in full swing and in the last lap of completion now. The thrust is on rural connectivity through Optical Fiber Cable from Block to Gram Panchayat. In Punjab State, out of 8049 GPs marked for Phase-I, around 6100 are LIT.

There are certain works going on in already installed equipment as well as certain activities are to be performed for the balance GPs. As most of these locations are in Government schools, it is thus imperative to get access to these schools during the summer vacations. As the state government schools are closed for summer vacations from 01-06-2018 to 30-06-2018, and our field teams may require free access for installation, testing and commissioning of these GPs during the said period.

You are requested to :

- 1) Issue guidelines to the field formations to make arrangement for facilitations of installation, testing and commissioning teams (of BBNL, BSNL, Tejas, ITI, CSC) for allowing work in the said buildings during the summer vacations.
- 2) It will be more appropriate if Nodal officers are nominated in each Dist/Block for coordination from education department with our field teams and their contact numbers are shared with BBNL. Our teams will interact with the nodal officer in advance and tell him about the date when they need to work in that particular school.

Thank you

Encl:- List of GPs with locations.

(S.M. Setia)
