All School Heads
In the State of Punjab.

Memo No.: 13/1-2018/SSA/MIS/eps/20183604
Dated: 12-03-2018

1.0 All School Heads are aware that the Department, for the convenience of the schools and DEOs, collects entire data and upload on the e-Portal.

2.0 The Department relies upon this data and policy decisions are taken based on this data. However, it has been observed that at times some of the schools do not upload data regularly. It is clarified that it is the responsibility of the School Head to ensure that correct data is uploaded on the system well in time. It has also been decided henceforth that by the 10th of every month the MIS wing of the Headoffice will monitor as to how many schools have not uploaded their data.

2.0 All School Heads are therefore requested that they should ensure that the correct and credible data is uploaded. As and when any teacher get transferred or new teacher joins or some teacher/employee retires, the necessary information should be uploaded on the system.

3.0 As per the data collected by MIS wing, 469 schools as per list attached herewith have not uploaded their data so far. All concerned are requested to update this data immediately.
