

## Notice

The state government vide its notification dated 9.10.2018 in compliance with the decision taken by the Cabinet on 3.10.2018, had decided that the teachers working in Societies namely SSA , RMSA which are centrally sponsored schemes, will be regularized in the Department . Accordingly, the Department prepared a software and sought options of the willing SSA and RMSA teachers. Now , a large number of willing teachers are requesting the Department that the posts and places which they can opt as regular teacher, should be made available on the Department website to enable them to have an informed decision and exercise their option. The Department has carried out an exercise in this regard and it has been noted that SSA and RMSA teachers stand posted both in SSA schools set up under the centrally sponsored scheme of SSA and RMSA as well as in High schools and Senior Secondary schools under the Department of school Education meaning thereby that some of them are working against the Department posts. It reveals that there are 4648 teachers from SSA and RMSA who are working in High schools and Senior Secondary schools as a stop gap arrangement till the Department makes alternative arrangement as per information provided by MIS wing of the Department. Thus, those SSA and RMSA teachers who have opted to get their services regularized, since, have a preferential right over the government sanctioned posts which should be allotted to them and henceforth on administrative grounds it is hereby decided to accommodate the SSA and RMSA teachers in the RMSA /SSA schools subject to their preference for stations as per the time of their giving option and availability of station.

It is further clarified that SSA and RMSA teachers who have given their options and have even joined at places as regular teachers and such posts may figure in 4648 posts attached herewith, will not be disturbed i.e. they will continue at the stations allotted to them already.
