

Notice

- 1.0 The Department has issued appointment letters to the SSA/RMSA teachers who had recently given their options to join the Department in pursuance of the notification issued by the State Government dated 09.10.2018. The Department also issued another notice in which such teachers were allowed to join against the post presently occupied by the teachers of SSA and RMSA and who are still working in the Society.
- 2.0 The teachers who have given appointment letters have highlighted their grievances mentioning that some of them are facing difficulties for joining at their new place of postings. Generally, there are 3 types of cases which have come to the notice: -
 - 2.1 Teachers who have sought and issued appointment letters at their existing place of posting.
 - 2.2 Teachers who have sought for the place of posting at one of the post occupied by 4246 SSA/RMSA teachers;
 - 2.3 Newly appointed teachers have sought stations against the demand post;
- 3.0 All these issues and problems have been discussed and examined at length. After careful consideration of all the issues, following is decided: -
 - 3.1 As regards the issue, at S.No. 2.1 above, no problem is envisaged. It shall be the duty of the concerned School Head/DDO to allow such teachers to join their new place of

posting immediately. It is further clarified that the middle schools under SSA are presently under BPEO and the BPEOs are the DDO in these schools. This arrangement will continue till next orders though the Department is considering to issue the revised instructions in this regard i.e. the allocation of DDOs, separately.

- 3.2 As regards the issue at S.No. 2.2, it shall be the duty of the school head to immediately allow the newly appointed teacher as per the orders issued by the Head office. However, it may so happen that there is an existing SSA/RMSA teacher who had not given his option earlier but he has now decided to give an option for regularization within the Department, in such case the existing teacher will continue to work at this place. As in the above scenario, the post is not vacant and the newly appointed teacher has still not been able to join, it is therefore decided that the newly appointed teacher should immediately write an application giving fresh options of stations and send at Control room at Whatsapp at 9463915558. This number is being operated by Mr. Ravinder Dogra Superintendent in DPI office. The Control Office in the Head Office i.e. the concerned person in the Head Office will immediately take a print out of the fresh request and obtain order of the competent authority and also generate the new place of posting and sent to the candidate i.e. newly appointed teachers on his or her Whatsapp and also get it endorsed to the concerned DEO and the School Head. The School Head concerned will allow such teacher to join without causing any harassment to such teacher.

- 3.3 In case of issue at S.No. 2.3 i.e. the newly appointed teacher has been able to get stations against a demand post, however the post has not been created formally by the Head Office. In such situation the concerned School Head will immediately prepare an application giving full justification for creation of demand post and send his or her proposal to the DEO of the district and the Control Room on Whatsapp at the above said number. The concerned officer in the Control Room will immediately get the case processed after verifying the details from the DEO and issue the appropriate sanction of the post to the School Head. In the meanwhile, the School Head may allow the teacher to join at this post pending formal approval of the sanctioned post by the competent authority i.e. the Head Office. Before sanctioning the post, the Control office in the Head Office will get in touch with respective DEO and collect information regarding the surplus post available in the district in that subject in any school.
- 4.0 In case where the School Head feels that there are inadequate number of students and the post is available and thus the post has become surplus, in such a situation the School Head will immediately bring to the notice of the DEO (SE) of the district concerned over telephone as well as on Whatsapp that the post is surplus in his school to enable the DEO to shift the post to the needy school.
