

**Government of Punjab
Department of School Education**

To

All DEOs (EE) & (SE) (Through website)
All Inspection Teams
In the State of Punjab

Memo No. *SSS/2018/50675*
Dated: *17-10-2018*

Sub: Regular visit of schools by Sikhiya Sudhar Teams.

1.0 As you are aware that the Department has set up Sikhiya Sudhar Teams one each in every district. The teams are supposed to visit the schools after due notice. The purpose of giving due notice in advance was to ensure that the School Principals and the School Heads get sufficient time to improve the quality of education and take other necessary measures to improvise the general outlook of the school.

2.0 However, it has been noted that concerned schools are not given due notice in advance and as a result they hardly find time to improve the general conditions of the schools including the quality of education. It is therefore decided that:

- (i) The schools which are to be visited by the Sikhiya Sudhar Teams during current academic session will be put on website.
- (ii) The School Principals and the School Heads are requested to ensure that the necessary preparations are made well in advance.
- (iii) Sikhiya Sudhar Teams will ensure that verbal notice is given to the School Principals at least one month in advance apart from the information put on the website.

4.0 It is clarified again that the purpose of regular inspections / visit by Sikhiya Sudhar Teams is only to improve the system and not to discourage any teacher or School Principal.
