Please recall our discussions on 7<sup>th</sup> September, 2018 over Video Conference regarding 'Swachhata Hi Seva' campaign.

As we had discussed, it would be great if all school children view live telecast of Hon'ble Prime Minister's speech on the occasion from 9.30 to 10.30 am. Thereafter, the school children could help to clean the school premises as well as surrounding areas. This will be an excellent initiative for spreading the Swachhata message.

Students from Classes VI to VIII can clean the school premises, whereas senior students can collect plastics wastes of surrounding areas. For this, I would suggest that the assistance of the local bodies may be taken.

I propose to be at the Kendriya Vidyalaya in Gole Market, New Delhi on 15<sup>th</sup> September, 2018 to help in the cleaning activities. I would be grateful if you could oversee the activities in your States/ UTs so that the launch of the 'Swachhata Hi Seva' campaign on 15<sup>th</sup> September, 2018 coinciding with the last day of this Ministry's Swachhata Pakhwada is a grand success.

With regards,

Yours sincerely,

The best entries (3 at School level, 5 at District level and 5 at State level) may be rewarded suitably at respective levels i.e. School, District and State level. The 3 best entries from the schools will be sent to the district level. These entries of each school will be evaluated at district level by a committee set up by the District Collector.
