Department of School Education  
Govt. of Punjab

Memo No. 2/5/ICT/2018-19/Misc/220828  
Dated: 01/08/19

1.0 These days the Department has launched a programme at the initiative of some schools namely 'Library Langar' which is now taking the shape of the Pustak Lehar. Students are liking the books very much. At most of the places, the students have started coming forward to take the books. However, at some places, it has been noticed that students still hesitate to ask for the library books themselves. At the same time, the department has got huge books lying in the libraries though most of the books has now been circulated. As per the latest data, 26 lacs books have already been registered on the software.

2.0 To sustain this campaign and to receive the feedback from the school, it has been suggested by certain School Heads that an officer of an appropriate seniority should also visit the schools and motivate the School Heads in this campaign. Accordingly, it has been decided that one senior officer will be deputed for every block to have the first hand impression of the distribution of library books among the students.

3.0 The list of the officers is enclosed herewith. The school may like to give their feedback to their respective officers regarding the library books and other aspects like efforts on Smart Schools, Padho Punjab Padhao Punjab Project etc. Based on the inputs, we will identify the best school in a block and the school head and another staff shall be appropriately appreciated.

4.0 The officers shall visit the schools on 3rd August 2019.

**Secretary School Education  
Punjab**
