Draft letter to School Principals

Sub: Mandatory Biometric Updation in Aadhaar on attaining age of 5 years and 15 Years.

I would like to inform that most of the population above 5 years of age in the State of Punjab has Aadhaar. In the epunjab school portal the Aadhaar of 90% students is feeded. As per the Aadhaar Act, mandatory biometric updation of children is to be carried out once the child attain the age of 5 years and 15 years else Aadhaar can be suspended. As per the data available mandatory biometric updation of 17.5 lakh children (between 5 to 15 Years of age) is pending. Additionally approximately 10 Lakh who have crossed the age of 15 also need Biometric updation.

The State of Punjab through Department of Food and Civil Supply is in the process to purchase 294 Aadhaar Enrolment kits and hiring of Service provider to operate these kits. To carry out the biometric update activity of 27 lakh students and to make new Aadhaar for the left out population the following actions are to be taken:

1. Block level Nodal officers have to prepare a monthly roster plan for the movement of kits depending upon the pending population. The details of pending students will be made available on the epunjab portal.

2. A kit can carry updation of about 60 to 80 students in a day and will work only one hour beyond the school hours. A suitable official may be deputed to supervise the work.

3. In Mandatory Biometric updation facial image, finger prints and iris scan of student are taken. Mobile number and Email id can also be added. No document is required for these updations. However student be advised to carry his Aadhaar. No payment is to be made to the service provider for this purpose.

4. For new Aadhaar enrolment of left out population School Principal need to prepare a certificate on School letterhead showing detail of the student as per
school record. (Sample certificate attached for reference). Parents are to be called in the school to give consent for the new Aadhaar enrolment of minor (Signatures on the enrolment forms will be required). No payment is to be made to the service provider for the new Aadhaar enrolment.

5. For any demographic data updation of students like name, address etc. if required, document as per the approved list (copy attached) will be required. School Principal can also issue the certificate as per the school record. To verify the documents as per the approved list school teacher will act as verifier. Rs. 50/- will be charged by the Service provider for any type of demographic updation.

6. The Principal have to arrange electric supply, separate room with proper lighting system, necessary furniture (Two Chairs & one Table).

7. All the above activities should be monitored by school official and advance preparations should be carried out as the kit will remain in the school for a fixed time period only.

In view of above, kindly take the advance action immediately under intimation to this office. Progress in this regard will be monitored on Weekly basis. For any clarification Sh.______________, Ph: and email id ___________ is the nodal officer.
