

**Government of Punjab
Department of School Education**

To

All DEOs
Secondary Education
In the State of Punjab

Memo No. 5/45/2018-5 P/13/14000 63/1-22
Dated: 21/1/2019

1.0 It has come to the notice that private schools affiliated with other Boards and particularly Punjab School Education Board are asking students who are not academically very sound to seek admission elsewhere as these schools apprehended that such students may not be able to clear the forthcoming Board examinations. Some schools are even striking off the names from the rolls of the school. This practice needs to be avoided and need to be checked immediately.

2.0 All the DEOs (SE) are hereby requested and advised to randomly inspect these schools and collect the details of the students from such schools who have struck off the names from the school rolls. DEOs (SE) may also like to hold a meeting of such schools at their level and advise the Private schools not to indulge in this practice.

3.0 In case any school indulge in this practice, the details may be sent to Chairman PSEB with a copy to the Government so that further necessary action may be taken against such schools.

**Secretary School Education
Punjab**
