In the State of Punjab  
(through Website)

Memo No. 4/1-19S.E(2)/2019274466  
Dated: 03-09-2019

1.0 It has come to the notice that Finance Department has issued certain instructions with the interest accrued to the schools. As a result various funds collected by the schools from the students is required to be deposited in the treasury. We have taken up the matter with the FD and FD has agreed in principle to allow the schools to retain the funds as well as the interest in respect of the funds.

2.0 While we are getting the formal directions issued by the FD to the treasuries in the district, no further action on deposit of the interest may kindly be taken for time being.
