Memo No: 11/4-2020 ਟਿਕਾਣਾ 1(4) / 20209843
Dated: 23/3/20

1.0 It has come to the notice that some Private Schools are still refusing to close down the schools keeping in view the Covid - 19 threat. This is a clear violation of Government instructions. Some of the schools are even forcing the teaching and non teaching staff to come to the schools.

2.0 Though the Deputy Commissioners concerned have also been taking necessary action against such schools, however, all DEOS are requested and strictly directed to ensure that no such schools are open.

3.0 This may be given TOP PRIORITY.
