

1) Attendance Scholarship to SC Primary Girl Students(State Plan Scheme)

Introduction

It has been observed that the number of Scheduled Caste girls students in educational institutions is much less than their population because of the fact that the parents/guardians of these girls are very poor and they do not pay heed to the education of the female child. If at all these girls are admitted in the school they leave their studies to assist their parents to augment the family income by taking up nominal jobs. Keeping these circumstances in view the State Govt. decided to adopt some ways and means so that the dropout tendency is checked initially at the primary stage.

Year of Start

This scheme was introduced from the year 1992-93 as district level scheme on Plan Side. But from the year 2008-09 this scheme has been transferred to State Plan sector. From financial year 2020-21,, budget allotment is transferred to Education Department from Department of Social Justice, Empowerment and minorities(Welfare department).
