Suggested Activities

1) Demonstration followed by Interaction on 'Innovative Pedagogy' for teachers in every School (Time : 1 Hr) (On any day between 6th – 30th September, 2022)

Modalities:

- CRC Resource Person/BRC Resource Person1/DIET faculty will conduct a demonstration session with all the teachers in every government school in the respective cluster.
- The demonstration will be based on teaching a selected topic of a selected subject of any grade in an innovative, joyful and engaging manner.
- Schedule for conducting this demonstration session will be developed at the DIET level involving respective CRC/BRC Coordinator, taking guidance from SCERT.
- All the CRC Resource Persons and BRC Resource Persons will prepare their demonstration plan on innovative pedagogy for a generic session or subject-specific session keeping in view, the needs of school teachers for the orientation on subject-specific pedagogy already identified at the CRC level.
- Programme Schedule including date, time, and name of the Resource Person for taking session need to be distributed among all concerned CRC/BRC Resource Persona at least three days prior to the programme, so that every RP will get sufficient time for preparation.

Suggested Activities

1) Demonstration followed by Interaction on 'Innovative Pedagogy' for teachers in every School (Time -1 Hr) (On any day between 6th – 30th September, 2022) (Contd.)

Modalities:

- In case of a smaller number of teachers in a school, CRC may decide to hold demonstration session in one school inviting teachers from nearby schools within a range of 1-2 Kilometers.
- SCERT will take lead in this regard and will inform and provide academic support to all the CRCs and BRCs for this activity.
- In case of CBSE affiliated schools including KVS and NVS, a list of teachers/mentors/resource persons need to be prepared for conducting innovative pedagogy / demonstration in every school by the CBSE, KVS and NVS.
- All the schools may take 4-5 photographs of the Innovative Pedagogy Session for display and upload along with a brief write up of not more than 500 words on the Vidya Amrit Portal (<https://microimp.ndear.gov.in/>)

Suggested Activities

2) Senior Students may act as Teachers (On 5th September, 2022)

Modalities:

- In every school, some senior students from within the school can be selected by the teachers, to become teachers for the rest of the classes on Teachers' Day.
- Engagement of classes can cover all the curricular areas including arts, physical education, etc.
- An orientation programme may be conducted by some of the teachers for these senior students on 'how to engage children for learning in a joyful manner'.
- Every selected student must get at least one period to teach.
- Student teachers who receive the best feedback from the children in the classrooms can also be given a certificate of recognition by the school.
- Teachers may be encouraged to take selfies with the student representatives (as teacher on Teachers Day) and post on Social media with **hashtag # humareyteachersabsaybest**

Suggested Activities

3) Writing of questions/Items based on Learning Outcomes at the school level for an Item bank (from 6th September to 18th November, 2022)

Modalities:

- Each school can prepare questions/items for Foundational, Preparatory, Middle and Secondary Stage.
- Teachers will upload their submission on MyGov. SCERTs will be able to download submission made by their respective teachers. SCERTs are advised to use CRC, BRC and DIET to review and compile the shortlisted items.
- CRC will select three best questions each in different categories i.e., Foundational Stage (for classes 1-2), Preparatory (Classes 3-5), Middle (Classes 6-8) and (Secondary 9-12);
- Each BRC will then select the best four questions from the 12 questions submitted by each CRC and submit these 4 best selected questions to the respective DIET in the district.
- Each DIET will compile all the questions received from all the respective BRCs and send this compiled document to SCERT.
- SCERT will compile all the questions received from the respective DIETs and then submit to the Ministry of Education through MyGov.
- Total number of questions estimated to be submitted from across the country is around 28,000.
- Best entries selected at national Level will be given certificates by the NCERT.
