

Webinar Session - Project VeerGatha Edition 3

13.09.2023

Detailed Instructions: -

1. Webinar Link for the event will be provided by MoD to all Nodal Officers from CBSE / SCERTs.
2. Nodal officers of CBSE / SCERTs will coordinate the webinar link with all the Schools under the domain and ensure the participation of students in the event.
3. Participating School is required to arrange a VC system or a Webcam (At least 5 MP), if not installed already, to connect with the Desktop/Laptop in Conference Hall / Auditorium to be used for conducting this Event and a provision for the students to interact with the speakers if required.
4. To join the event, the participants are required to download CISCO Webex software in their system (desktop/laptop) for joining the Event.
5. All are requested to cater for a backup arrangement at their respective schools, in case the primary equipment fails or ceases to operate at last minute.
6. All are requested to keep their microphone on **mute** and activate only when asked specifically from the event site.
7. Participants are required to join the event with their complete particulars like School name, with City/State as a mandate for joining the event and ensure the same after joining the meeting.

(For eg: S.B.V., Magolpuri, New Delhi)

8. The audio mic of participating schools will be kept on mute and in control of MoD VC Admin (011-23012733).
