Sub:- Regarding financial education and opening of accounts of School going children at Post Offices.

Now a day's Financial education is must for all and it will inculcate the habit of savings among school going children. As the Post office deals with Small Savings, opening of accounts of school going children not only increase their knowledge in financial matters but also about various Post Office Saving Schemes.

Post office also provides some special accounts for school going children such as Sukanya Samridhi Scheme, Mahila Samman Saving Account, Public Provident fund accounts, Recurring deposits and Fixed deposits which gives higher rate of interest. For day to day transactions, Savings account can also be opened at Post Offices with minimum balance of Rs 500-. Value added services such as ATM card, net banking etc can be availed from Saving account. Post Office ATM card can operate at any Bank ATM in PAN India. For detail information one can contact nearest Post Office, visit at [www.indiapost.gov.in](http://www.indiapost.gov.in) website or 'Postinfo' mobile app.

A camp may be organized at School Office premises for opening of account by liaising by School authorities with the Divisional Supdt of Post Offices or by email at [sb.pb@indiapost.gov.in](mailto:sb.pb@indiapost.gov.in)

I would therefore , request you to disseminate the information upto the lowest level in your department for financial education and opening of accounts at Post Office.
