Memo No. 176336/2025333680-333683

Dated : 13/11/25

Subject Personal Hearing – Grievance regarding Lecturer Cadre Provisional Seniority dated 21.08.2025.

On the subject cited above, notices for personal hearing were duly issued and served through your office to the concerned employees, directing their appearance between 25.09.2025 and 10.10.2025 in connection with the parameters for Lecturer Cadre Provisional Seniority issued vide this office order dated 21.08.2025. With reference to the provisional seniority list, representations were received from the employees (list annexed as Annexure-A) seeking reconsideration of their placement by comparing their service particulars with others on various aspects such as subject-wise, date of joining, and possession of requisite qualifications for implementation of the "Catch-up Rule":

The submissions of the above incumbents were duly examined in light of the parameters prescribed for Lecturer Cadre Seniority vide office order dated 21.08.2025, with reference to their elevation and the applicability of the catch-up rule. The department has circulated comprehensive parameters for the determination of Lecturer Cadre Seniority, framed in accordance with judicial precedents and established service rules. These parameters ensure that seniority is determined on the basis of actual service credentials, appointment/joining dates, and applicable legal principles, thereby providing a uniform framework for resolving related grievances.

After careful examination, it has been observed that the claim raised in the representation does not fall within the admissibility parameters issued by this office. Accordingly, the grievances are hereby treated as disposed of within the framework of the parameters dated 21.08.2025, based on the facts and records available in the representation.

You are requested to kindly communicate this information to the concerned and ensure its compliance at the earliest.
