D.O. No. 3358

Dated : 06-08-2026

Subject: Regarding Integration of all applicable online services of your department with the State Single Window Portal.

Dear Sonali Ma'am

As you are aware, the implementation of the Business Reform Action Plan (BRAP)-2026 and the District Business Reform Action Plan (DBRAP)-2025 is a time-bound exercise, and the stipulated timelines for implementation are fast approaching. Timely implementation of the prescribed reforms and submission of documentary evidence are essential for verification of compliance by the Government of India for BRAP and DBRAP exercise.

In this regard, it is pertinent to mention that the Government of Punjab is undertaking the integration of all applicable Government-to-Business (G2B) services with the State Single Window System (SWS) to facilitate ease of doing business and to ensure compliance with the reform requirements under BRAP and DBRAP. keeping in view the mandate under BRAP the State Single Window System should only be used by the Departments as single point for entry and exit for the regulatory approvals and services. The process flow for approval shall be as per the existing or proposed flow by the Departments.

Therefore, all services of your department that are already available online are required to be onboarded and integrated with the State Single Window System at the earliest. It is requested to issue suitable directions to the concerned officers/officials to ensure:

1. Early/ timely integration of all applicable online services of your department with the State Single Window System (SWS). The list of identified services which are already functional on Departmental Portals / other State Portals which are to be onboarded on the SWS is enclosed herewith (Annexure -I).
2. Active coordination with the Sh. Deepak Dimri, Associate Director, KPMG (9355613267) for seamless onboarding of services.

Your personal intervention and support in this matter will greatly help in ensuring timely compliance with the reform agenda and further strengthening Punjab's business-friendly ecosystem.

Warm Regards

Yours sincerely,

(Jaspreet Singh)

Smt. Sonali Giri, IAS,
Administrative Secretary,
Department of School Education, Punjab.
