Greetings from the ICMR-National Institute of Epidemiology (ICMR-NIE), Chennai. The Ministry of Health and Family Welfare (MoHFW), Government of India, is undertaking the fifth round of the Global Youth Tobacco Survey (GYTS-5) across all States and Union Territories. This school-based survey focuses on adolescents aged 13 to 15 years studying in 8th, 9th, and 10th standards, with the objective of understanding patterns of tobacco use and related risk factors. The findings will provide critical evidence to inform and strengthen tobacco control strategies in India.

GYTS is a global surveillance initiative implemented in over 180 countries to monitor youth tobacco use and associated determinants. The Additional Secretary (Health), MoHFW, has already communicated with all State/UT Health Secretaries (D.O. No. P.16014/01/2024-TC, dated 27th March 2025), seeking their cooperation for this important public health activity (copy enclosed).

In this regard, you are requested to extend your support to ICMR-NIE for conducting the survey in the identified schools and to issue necessary permission(s) from the Education Department, and if required, from other Departments of your State/UT. You are also requested to issue a letter to the School Authorities for sensitizing them about the objectives of the survey and to encourage their active participation.
